ALL Students on this schedule need to make their best effort to **attend at the date and time already listed for them**. As of now, this will be the schedule we use for **THIS WEEK ONLY**. During your scheduled rehearsal time for this week we will discuss **a weekday and time we will use routinely for following weeks leading up to the actually event**.

With the exception of one ensemble, ALL of you have your music. **Listen to your piece and start practicing! DO NOT** show up to your first rehearsal never playing it before!

After making your best effort to attend the date/time schedule for you above, if an scheduling issues arises please see Mr. Ciulla TOMORROW (Monday, January 14th). It is imperative you meet and rehearse with Mr. Ciulla or Mrs. Logan at least once this week!

As always, please contact me with any questions you may have! Good luck in your early preparation! :)

Sincerely,
♫ **Mr. Ciulla**

P.S. ALL Soloists should consider scheduling a private lesson at Woodsy's and/or the Aurora School of Music. It helps to receive instruction for musicians that play your instrument!
