

♪STREETSBORO MARCHING ROCKETS♪ WALT WORLD DISNEY MARCH 2020

Dear All Streetsboro Marching Rockets Band Families,

As many of you already know we were approved last week to travel next spring break (March 2020) to Walt Disney World with the Streetsboro High School Marching Rockets!

There are many hurdles for us to cross before a trip like this can take place. The first one is to receive input from the parents of the students who will be involved. I have already spoken to some of you and have received positive comments.

***All parents/students interested in attending this trip are required to attend a mandatory*
Disney Parent Meeting Monday, March 4th at 7:00pm at SHS.**

We need to know if you are interested in having your child participate in such an activity. This indication does not commit you or your child to the trip, but it gives us the information to assist our decision making. During this meeting a tour company representative will be present to answer any questions you may have. We will also explain the details of the trip at this meeting.

To help fund the trip we have arranged initial fundraising projects and opportunities for the students to earn a portion of the money needed. We will discuss these projects at our meeting. Students may choose not to become involved with our projects or earn the money through their own efforts. In any case, we will do everything in our power to help students earn money.

I am sure that the cost of such a venture is very important to you in deciding whether or not to proceed. **The cost of the trip will be about \$ 1,100 per member.** There are some variables as to the exact cost, depending on the price of tickets, fuel costs for buses, room variations, etc. Again we will cover all package inclusions at our meeting.

One of the critical aspects in undertaking such a venture is obviously the behavior of the students. It is the expectation that our students conduct themselves in an appropriate manner at all times and represent the Streetsboro City School district with the highest levels of moral integrity. **The opportunity to travel as a member of the Streetsboro Marching Rockets is a privilege, not a right!** The behavior of the students will be under continuous observation for the rest of this year and next, to determine if students can exhibit the level of maturity needed to represent our school and community. Parents/Guardians need to have a serious discussion about this with your student.

I am very excited to have an opportunity to offer this trip to our high school band students. This trip is truly a once in a lifetime opportunity. I look forward to working as a team to bringing this trip to fruition. In the meantime please refer all questions to me at anytime.

Thank you in advance for your consideration and patience!

Respectfully,

Mr. Vincent Ciulla
SCS Director of Bands
