Focus will be on instrument of most need of replacement with sousaphones being at the top of the list. Laura ask about rental fee and discussion went back and forth. We are still waiting to hear if the fee increase has been approved. Sheri G. would like to make sure that rules are in place so students are taking better care of new instruments. Parents do sign forms regarding the care of instruments and pay a fee. Mr. Ciulla spoke about showmanship with instruments which should not be damaging to instruments. Mr. Ciulla talked about students need to be taught how to take better care of the instruments. Mr. Granville spoke at Alumni night how other bands have talked to him in the past on how the band spins with instruments and could not believe we did that because of what it could do to the instruments.
