

Good Afternoon SHS Band Students/Parents,

I hope you all were able to enjoy your well deserved spring break! I personally did not travel, but definitely found plenty of time to recuperate and prepare for this final stretch of the school year. As many are already aware the month of April for public schools is full of testing. Testing usually means modified schedules and less instructional/rehearsal time. Please keep checking these weekly announcement pages as I try to communicate updated information frequently.
