#### **Public Comments:**

#### **Principal (Brett McCann) Special Update:**

1st round interviews for new director (about 30 applicants) down to the final 3 after interviews. Looking for longevity - stay in current position for 3-5 years. Final interviews will be Friday. Hopefully we will have someone for the start of band camp. Will students have a chance to meet with the applicants - yes there will be a group to meet the applicants. We are a little ahead of where we were last year. Should be a quick turn around.

Plan is that we will be doing away games as well this year. We will run as normal pre COVID.

Band should be able to practice in the band room this year - depending on the lunch situation.

**Approval of June Minutes:** Sheri G. motioned to approve, to be approved through email after review.
